Mission & Background

MISSION AND PURPOSE	The Hartwell Family Foundation exists to strengthen the well-being of Massachusetts communities by investing in arts and culture, education, and behavioral health initiatives that expand opportunity for underserved populations.
HISTORY	The Hartwell Family Foundation was established in 1962 by Charles and Margaret Hartwell, whose family built a regional textile manufacturing business over three generations. Upon selling the family business in 1960, Charles and Margaret dedicated a significant portion of the proceeds to establishing a foundation focused on the arts and education, causes they believed had shaped their own opportunities. Since its founding, the foundation has awarded more than \$180 million in grants to organizations throughout Massachusetts, with a particular concentration in Greater Boston, Worcester, and the Pioneer Valley. The foundation remains family-governed, with three Hartwell family members currently serving on its five-person Board of Trustees.
