- **Legacy & Planned Giving** – Legacy Call identifies and closes bequests, beneficiary designations, and other deferred gifts from your most loyal, longest-tenured donors.
- **Mid-Level Donor Engagement** – an 8-stage, relationship-first program that upgrades mid-level donors and builds a qualified pipeline for future major gifts.
- **Annual Fund Calling** – trained Engagement Officers treat every prospect like a major donor-in-waiting, with segmented outreach, personalized asks, and digital stewardship included.

## How a Campaign Moves: Five Phases, One Firm

1. **Planning – Feasibility & Case Development.** We interview leadership and top prospects, stress-test the campaign goal, and draft the case statement, budget, and gift table.
2. **Campaign Planning – Data, Materials & Committee Prep.** Over a focused 3–6 months, we prioritize prospect data, finalize campaign materials, and recruit and train the Campaign Committee.
3. **Quiet Phase – Major Gift Solicitation.** Over 24–36 months, your Campaign Chair and Steering Committee secure the majority of the goal from individual, foundation, and corporate donors.
4. **Campaign Connect – Public Phase Calling.** Trained Engagement Officers reach alumni, patients, members, and subscribers, raising 10–20% of the goal while expanding the donor base.
5. **Stewardship – Fulfillment & Renewal.** Thank-you letters within 24–48 hours, pledge fulfillment support, and digital stewardship keep every new donor engaged for the next ask.
