MID-LEVEL DONOR ENGAGEMENT

Turn your best-kept fundraising secret, mid-level donors, into your next major gift pipeline.

A dedicated Engagement Officer treats every qualifying donor like a portfolio assignment, building the relationship before the ask and reporting results daily.

ENGAGEMENT JOURNEY

> "Catapult's fractional officers seamlessly amplified our staff capacity. We grew our total donor households, increased funds raised from our mid-level base, and strengthened our major gifts pipeline. True partners, not just a vendor."

Former Sr. Director of Development, Houston Symphony

Built for the Donors Between Annual Fund and Major Gifts

Your mid-level donors are your most under-cultivated asset, too valuable for a form letter and not yet assigned to a major gift officer. Catapult's Donor Engagement program closes that gap with an 8-stage, multi-channel methodology that simulates a face-to-face relationship at scale.

- Donor identification using wealth screening and giving-pattern analysis
- Donor list review and portfolio deconfliction with your team
- Personalized letter of introduction from your leadership
- An Engagement Officer assigned like a major-gift portfolio manager

Digital Layer Included

- Instant post-call emails tailored to pledge vs. non-pledge outcomes
- Personalized text messaging for solicitation and stewardship
- Monthly pledge-fulfillment statements with direct payment links
- Digital voicemail outreach before and after the ask

The 8-Stage Engagement Journey

1. Donor identification & prioritization
2. Donor list review & approval
3. Letter of introduction from leadership
4. Area-of-impact conversation & qualification call
5. Pre-call introductory letter previewing the ask
6. Gift phase: the Engagement Officer cultivates and solicits
7. Fulfillment, recognition & daily reporting
8. Ongoing stewardship touchpoints (thank-you calls, special-occasion calls, digital voicemail, handwritten notes)

THE CATAPULT DIFFERENCE

- ✓ 8-stage, multi-channel relationship journey
- ✓ Portfolio-style Engagement Officer per donor
