

Why an Annual Giving Partner

What your organization gains from a Catapult annual giving program.

— The Outcomes We Deliver

More Donors Retained

Lapsed supporters are reactivated and first-time donors are turned into repeat givers.

Increased Annual Gifts

Every conversation carries a renewal, upgrade, or monthly-giving ask.

Expanded Participation

Phone, mail, email, SMS, and voicemail reach the donors your team cannot call.

A Stronger Pipeline

Today's annual donors become tomorrow's mid-level and major gift prospects.

The Catapult Advantage

A national partner that turns first-time donors into lifelong supporters.

Catapult's value is not limited to making calls. Our approach combines fundraising strategy, donor segmentation, trained Engagement Officers, fulfillment, and transparent reporting to increase philanthropic response.

— Why Organizations Choose Catapult

35+ Years of Experience

Decades of direct fundraising and donor engagement expertise behind every calling program.

100+ Years Combined

Our senior leadership brings a combined century of nonprofit fundraising experience.

US-Based Engagement Officers

Experienced, mature callers trained to represent your mission with professionalism.

One Accountable Partner

Strategy, segmentation, calling, and fulfillment, all delivered by one full-service team.

Annual Giving Methodology

A segmented, multi-channel approach that treats every donor conversation with respect.

Every donor is segmented by recency, cumulative giving, and sustainer status before a single call is made, then woven together with mail, email, SMS, and digital voicemail into one coordinated plan.

— How the Program Is Built

5 Steps

A structured donor journey from segmentation to fulfillment

5-15

Differentiated call attempts based on donor segment

5 Channels

Phone, email, mail, SMS & digital voicemail in one plan

14/28/42

Day fulfillment reminder schedule after every pledge

The Annual Giving Donor Journey

A respectful, structured cadence designed to grow both response and retention.

— Five Steps, One Coordinated Plan

1

Segmentation & Prioritization

Donors are segmented by recency, cumulative giving, gift count, and sustainer status.

2

Pre-Call Communication

A letter or email introduces the campaign message before the call.

3

Phone-Based Engagement

Engagement Officers focus each call on renewal, reactivation, or an upgrade.

4

Fulfillment & Follow-Up

Automated reminders at 14, 28, and 42 days make it easy to complete a pledge.

5

Cadence & Optimization

Call attempts are tailored by segment and refined continuously by results.
