

Why Legacy Call

What your organization gains from a Catapult legacy calling program.

— The Outcomes We Deliver

More Legacy Donors

Loyal supporters are found, qualified, and moved from intention to a documented commitment.

Larger Lifetime Value

A planned gift is worth 200 to 300 times a donor's largest annual gift.

Deeper Commitments

Every conversation is values-first, so donors stay close to your mission for life.

Expanded Participation

Your whole loyal file is reached, not just the handful your team can visit.

The Catapult Advantage

A national fundraising partner built for legacy philanthropy, from the first prospect call to the final confirmed gift.

Our strength is our people. Catapult's senior leadership brings decades of combined fundraising experience, and every member of our donor engagement team is trained in values-aligned communication and relationship building.

— Why Organizations Choose Catapult

Decades of Leadership

Senior leadership with a combined career of over a century in fundraising, direct marketing, and donor relations.

A National Team

Headquartered in Nevada with additional offices in Texas and New Jersey, giving every partner a national bench.

One Accountable Partner

A full-service, turnkey program: one team plans, staffs, and manages every phase.

Values-First Fundraising

Every Stewardship Officer is trained on your case for support before a single call is made.

Legacy Call Methodology

A full-service, two-tier planned giving methodology, not a single-tier survey or discovery program.

Loyalty, not gift size, is the strongest predictor of planned giving. Legacy Call is built to find, qualify, and close that opportunity.

The Legacy Call Donor Journey

A structured, seven-step process designed to feel personal, not transactional.

Seven Steps, One Continuous Relationship

1

Prospect Identification

Data analysis surfaces the most likely legacy-minded supporters.

2

List Review & Approval

Your team reviews and approves the prospect list before outreach.

3

Pre-Call Letter

A personal letter previews the conversation and shares an impact story.

4

Qualification Calls

A Stewardship Officer thanks each donor and explores planned giving interest.

5

Gift Phase

Interested prospects are referred to a Gift Planning Specialist.

6

Confirmation & Reporting

Commitments are confirmed, documented, and reported weekly.

7

Stewardship

Donors are introduced to your team for long-term recognition.
